Product sheet

Brand: SIMON

Reference: SIMON 42505000-130

Complete desktop kit with 5 white Schuko socket bases Simon 400. Adapting to the demands for innovation and functionality in workspaces, Simon 400 offers you a kit with 5 Schuko socket bases and white finishes. With a design of simple and discreet lines, this kit is the ideal solution to optimize space on tables and desks while maximizing functions. With a compact dimension of 250x120x80mm, it is designed for flush-mounted installation in furniture, quickly and easily, as it does not require the use of additional tools. Its quick Wieland connection and its mounting from the top of the table facilitate and reduce installation time. Compatible with power supplies with a voltage of 250 Volts and an intensity of 16 Amperes, it has an insulation resistance of >5 MO at 500 V and a dielectric strength of 2000 V at 50Hz per minute. Functionality and innovation that adapt to the new Workplace concept.
