Description

This mechanism is functional for the **BJC Iris** and **BJC Mega** series and its characteristics are:

- The interior space of the boxes to embed broader and more manageable. The tighter size of the mechanism allows maximum use of the inside of the wallbox
- The interruption mechanisms have a resistance of 16A
- Quality frames without aggressive angles and for a perfect fit of the frames
- Position marks on the racks to facilitate installation
- Automatic terminals for faster installation
- Ventilation windows that prevent the heating of the contacts

Specifications

EAN	8421870051275
Manufacturer	BJC
Nominal voltage (V)	230V
Piece type	Electrical mechanisms
Series	BJC Mega

may contain errors or omissions and does not replace the manufacturer datasheet.
