White Flat Hose Reel 2x1.5mm 10m (Audio)

Brand: EDM

Reference: EDM 28061

White Flat Hose Reel 2x1.5mm 10m (Audio)

The 10 meter white flat hose is ideal for audio installations. With a thickness of 2x1.5mm, it ensures high-quality signal transmission. Its flat design makes it easy to install and store, taking up less space. Made of high-strength materials, it is durable and reliable. Perfect for connecting audio equipment in studios, live events or commercial installations. The hose features two tinned copper conductors for excellent conductivity and PVC insulation that protects against external interference. Get the best sound quality with this white flat hose!
