Description

Illuminate your work or reading space with the elegant and functional Budoni E27 White Flexo Lamp. This modern design flexo lamp combines a matte finish with silver details, offering a touch of sophistication to any environment.

Made with high-quality materials such as iron and resistant plastic, the Budoni Flexo Lamp guarantees durability and stability. Its adjustable arm allows you to direct the light exactly where you need it, optimizing your visual comfort.

Equipped with a built-in switch for easy on and off, this flexo lamp is powered directly from the mains (220-240V, 50Hz) and comes with a cable included. It is compatible with LED and low-consumption bulbs (E27 socket, maximum power of 40W), allowing you to choose the option that best suits your needs and save energy.

The Budoni E27 White Flexo Lamp is delivered in a box and is easy to assemble. Enjoy versatile and stylish lighting!
