Description

Stanley® Tool Apron 1-96-178 Stanley

The Stanley® tool apron is the perfect solution to have all your tools at hand while you work. Made with a very resistant 600x600 denier fabric, this apron has multiple pockets and compartments of different sizes to organize your tools efficiently. The pockets are easy to access, allowing you to have everything you need within easy reach. In addition, it includes a metal hammer holder ring and a special pocket for flexometers. The back area is padded to offer greater comfort when worn on the front of the body. The integrated belt is adjustable to fit your size.
