Product sheet

300lm Foldable USB Rechargeable LED Work Torch

Brand: GSC

Reference: GSC 201815006

The 300lm USB rechargeable foldable LED work light is a versatile and powerful tool that provides bright and durable illumination in challenging work environments. With a foldable design and USB rechargeability, this light is convenient and easy to transport, making it ideal for outdoor use, garages, workshops, and more.

- **Powerful brightness:** With an output of 300 lumens, this light provides bright and uniform illumination to light up even the darkest areas.
- **USB rechargeable:** Thanks to its USB rechargeable battery, this light is easy to recharge and does not require disposable batteries.
- **Foldable design:** Its foldable design makes it compact and portable, making it the perfect option for easy transport.
- **Durable construction:** Made with high-quality materials, this light is resistant to impacts and water, making it ideal for use in harsh work environments.
- **Versatile use:** Perfect for outdoor use, garages, workshops, camping, emergencies, and more, this light is a versatile and reliable tool.

With its powerful brightness, foldable design, durable construction, and USB recharge convenience, the 300lm USB rechargeable foldable LED work light is a reliable option for any professional who needs durable and portable illumination in challenging work environments.
