Description

EDM's 8w 450lm rechargeable 1 LED mini flashlight with addressable head is a compact and powerful tool that will give you the lighting you need in any situation. With its power of 8w and 450lm, you can adjust the intensity of the light through its 3 positions: 450lm, 200lm and flash. Its addressable head allows you to adjust the lighting angle up to 90°, while its aluminum body guarantees durability and resistance. In addition, it has a mini-USB connection for recharging, a magnet and a holding clip for greater comfort. With an autonomy of up to 2 hours and an included 3.7v 700mah battery, this flashlight is ideal for outdoor use thanks to its IP44 splash resistance. Don't miss out on yours!
