Description

Resharpenable HSS Drill Bit - 30 mm

Resharpenable HSS Drill Bits in ground M2 high-speed steel with chip breaker and built-in spindle are an excellent option for precise and efficient drilling work. Measuring 30mm, these crowns offer optimal performance on a wide variety of materials, from metals to wood and plastic. Its high-speed steel design ensures long life and exceptional wear resistance, while the chipbreaker helps prevent chipping and breakage during the drilling process. In addition, the built-in spindle facilitates its installation in drills and compatible machinery, ensuring a safe and stable hold.

- Material: M2 rectified high-speed steel
- Measurement: 30 mm
- Chip breaker to prevent chipping and breakage
- Built-in spindle for easy installation
- Compatible with a variety of materials
- Long life and resistance to wear

Specifications

High	5,00
Width	5,00
EAN	8445187078657
Weight (kg)	0,15

Depth	12,00
