Description

SDS Max L-520 M-28 Wall Drill Bit

The SDS MAX wall drill bits are ideal for use with hammer hammers, thanks to their three hard metal plates and six cutters that guarantee optimal performance. This particular bit has a diameter of 28mm and a length of 520mm, with a cut of 340mm. The tip has three inserts and six cuts for greater drilling efficiency. Available in sizes ranging from 12mm to 45mm and lengths ranging from 340mm to 920mm, these drill bits are perfect for drilling work in walls made of different materials. Make sure you have the right drill bit for your construction or renovation projects, and rely on the quality and durability of SDS MAX drill bits for precise, professional results.

Specifications

High	3,00
Width	3,00
EAN	8445187213294
