Description

Type B Spade Drill Bit for Wood 35mm.

- **Diameter [mm]:** 35
- **Cutting length mm:** 172

The 35mm type B spade drill bit is made of chrome vanadium steel, which provides it with great resistance and durability. Its design includes a centering tip that makes it easier to start drilling, as well as 2 tips on the sides that allow a precise and clean cut in the wood. With a diameter of 35mm, this drill bit is ideal for making medium-sized holes in different types of wood. Its cutting length of 172mm guarantees adequate drilling depth, allowing work to be carried out with precision and efficiency. Whether for carpentry projects at home or in a professional environment, the 35mm type B spade drill bit is an essential tool to obtain quality results in your wood drilling work.
