Description

Lisomat Anti-condensation 750ml 70281-008 BEISSIER

Lisomat anti-condensation is an insulating acrylic paint with anti-condensation properties, ideal for walls with humidity problems due to condensation. Its special formula allows its use on walls subjected to extreme temperatures and sudden temperature variations, as well as for thermal insulation of hot or cold water pipes. In addition, it helps reduce reverberation noise in premises and homes, providing a more comfortable environment.

- Insulating acrylic paint with anti-condensation properties
- Ideal for walls with humidity due to condensation
- Thermal insulation of hot or cold water pipes
- Reduces reverberation noise in indoor spaces
- Solvent-free, water-based and washable
- Deep matte finish in white
- Brand: Beissier
