Description

EDM rechargeable headlamp with a powerful 1w 6000k cob LED, ideal for professional or home use. Its head is addressable up to 180°, allowing the light to be adjusted according to needs. It has 3 light intensities: 100lm, 50lm and red flash, offering versatility in different situations. The autonomy of the flashlight is approximately 2 hours, thanks to its 3.7v and 250mah rechargeable battery. With an ergonomic and lightweight design, it is comfortable to carry and use. In addition, its IP20 rating makes it resistant to dust and splashes of water, ideal for outdoor use. The headlamp also has a USB port for easy recharging, providing comfort and practicality.
