Screw cap fuse 25A

Brand: EDM

Reference: EDM 62988

**25A**

25A screw cap fuse

- Nominal current: 25A
- Fuse type: Screw cap
- Effective protection against electrical surges
- Easy installation and replacement
- Compatible with a wide variety of electrical devices

Description

The 25A screw cap fuse is an essential electrical component to protect circuits from overloads and short circuits. This high quality fuse guarantees the safety of your electrical devices and equipment, preventing further damage in the event of system failures.

Current capacity: 25A

Fuse type: plug threaded

Protects against overloads and short circuits

High quality electrical component

Ensures the safety of electrical devices and equipment

Specifications

Rated current (A)	25
EAN	8425998629880
Manufacturer	NO DISPONIBLE
Country of origin	Spain
Weight (kg)	0, 032
Nominal voltage (V)	250V

may contain errors or omissions and does not replace the manufacturer datasheet.
