Product sheet

Radiant glass panel convector with remote control and app control (1500W) 79x23x49cm

Brand: COFAN

Reference: COF 45053032

The glass panel radiant convector combines elegance and functionality, offering efficient heating that can be controlled via a remote control or mobile app. Its modern design adapts to any space, providing thermal comfort at home.

Technical characteristics:

- Power: 1500W
- Dimensions: 79x23x49cm
- Color: Black
- Voltage: 220/240V
- Frequency: 50/60Hz
- Material: Aluminum/Glass
- Class: I
- Remote control and app
- Heating function: 1500/2000W
- Weight: 89.06 kg
- Brand: COFAN

Description

Radiant convector heater with tempered glass panel designed to heat rooms up to 25 square meters in an efficient and modern way. With a sleek design and two heat settings (1500 W and 2000 W), this convector heater offers flexibility and control over the temperature of your home. Its X-shaped aluminum heating element ensures fast and efficient heating. The LED display with manual control, remote control (with battery included) and compatibility with applications such as Tuya and Smart Life allow you to easily adjust the temperature and functions of the convector from anywhere. In addition, it is compatible with voice assistants, making it easy to control using voice commands. This convector

features a 24-hour timer, a thermostat with electronic sensor and a frost detector function, providing a comfortable and safe environment. Overheating protection adds an extra layer of safety, while the room temperature dial allows you to adjust the temperature between 5 and 50 °C. Designed to operate on a voltage of 220-240 V and a frequency of 50/60 Hz, this convector can be installed using its free-standing base or the included wall bracket. With dimensions of 79 x 23 x 49 cm and protection class I, this convector is a modern and efficient choice for any home.

Specifications

Appliance class	Class I
Timer	Yes
Frequency	50, 60
High	49cm
Width	79cm
Colour	Black
EAN	8445187396669
Manufacturer	COFAN
Remote control	Yes
Material	Aluminio, Vidrio
Measures	79x23x49cm
Weight (kg)	89,06
Maximum power (W)	2000
Depth	23cm
Adjustable	Yes
Nominal voltage (V)	240
