Screw cap fuse 30A

Brand: EDM

Reference: EDM 62989

**30A**

Threaded cap fuse 30A

- Maximum current: 30A
- Fuse type: Capped
- Standard thread for Easy installation
- Protects electrical circuits from overloads and short circuits
- Compatible with a wide variety of industrial and domestic applications
- Sturdy and durable material for long life useful
- Compact size to fit into tight spaces
- Ensures electrical safety at all times

Description

The 30A screw cap fuse is an essential electrical component to protect circuits from overloads and short circuits. Its threaded design facilitates its installation in different types of electrical equipment, guaranteeing a safe and reliable connection.

Current capacity: 30A

Fuse type: screw cap

Protects against overloads and short circuits

Easy installation on various electrical equipment

Provides a safe and reliable connection

Specifications

Rated current (A)	30
EAN	8425998629897
Manufacturer	NO DISPONIBLE
Country of origin	Spain
Weight (kg)	0, 032
