Description

The Romini Super-Ego Heating Torch is a high quality tool designed to provide precise and safe flame control in various heating applications. With a ø45mm wind nozzle and 250mm lance, this torch offers reliable and efficient performance. Its ergonomic handle has a flame regulator and a safety trigger to guarantee permanent control of the flame. The 2m hose and r3/8"l-w21.8" connection provide greater comfort and versatility during use. Ideal for soldering, desoldering, heat-shrinking work, among others, the Romini Super-Ego Heating Torch is an essential tool for professionals looking for quality results.

- ø45mm anti-wind nozzle
- 250mm lance
- Ergonomic handle with flame regulator and safety trigger
- 2m hose
- R3/8"l-w21 connection, 8"
