Description

The Kinvara foldable plastic and silicone dish drainer is the perfect solution to keep your kitchen tidy in a practical and functional way. With a compact size of 36.5x31x13 cm, this dish drainer is ideal for optimising the space in your kitchen without sacrificing the drying capacity of dishes, glasses and utensils.

Its modern and resistant design makes it a durable and easy-to-clean accessory, as well as being very simple to store when not in use. Unlike other models, this dish drainer does not include a tray, allowing it to adapt to different surfaces and making it easier to clean.

With the Kinvara foldable plastic and silicone dish drainer, you can keep your kitchen tidy and your dishes dry efficiently and without taking up too much space. You will no longer have to worry about water build-up on your counter or lack of space to dry your kitchen utensils.

Get the Kinvara foldable plastic and silicone dish drainer and enjoy a more organized and functional kitchen!
