Description

The Blue Bird Pressure Reducer is an essential accessory to maintain the pressure of the irrigation system at an optimal working level. Made of polypropylene with anti-UV treatment, this pressure reducer has a 16mm (3/4") female and male thread connection. Its main function is to reduce water pressure to 1 bar, which helps prevent damage to the irrigation system and guarantees efficient and uniform irrigation at all times. With this product, you can ensure that your plants and crops receive the appropriate amount of water without the risk of overpressure. Easy to install and durable, the Blue Bird Pressure Reducer is the ideal solution to keep your irrigation system in perfect condition.

Specifications

EAN	8425998744958
Manufacturer	BLUE BIRD - ALTADEX
Country of origin	Spain
