Description

The Typhoon 401 6-Padlock Box is the perfect solution to keep your belongings safe. Made from nickel-plated steel, these padlocks offer exceptional strength making them ideal for use in a variety of applications. Each padlock features a 40mm shackle, making them robust enough to protect your valuables.

In addition, these padlocks come with a keyed alike system, making it easy to access and manage multiple padlocks. Whether you use them on suitcases, lockers or doors, you can be sure that your belongings will be reliably protected.

With a durable and reliable design, the Typhoon 401 6-Padlock Box is the perfect choice for those looking for a high-quality security solution. Don't take a chance with low-quality padlocks, trust the strength and reliability of these padlocks to keep your belongings safe at all times.
