Description

Roll 100m Red/Black Parallel Cable (2x1.5)

The Red/Black parallel cable comes in rolls of 100 meters and is available in sizes 0.75 mm and 1.5 mm, offering a versatile solution for various electrical applications. Its 2 x 1.5 mm design ensures a stable and secure connection, while its 100 meter length provides enough reach for large installations. This parallel cable is ideal for DIY projects, industrial or commercial installations, and low voltage applications. With its distinctive color combination, the Red/Black cable makes it easy to identify conductors, simplifying the installation and maintenance process. Plus, its durable, heavy-duty construction ensures reliable performance over time, making it a reliable choice for any electrical project.
