Description

The 4mm Blue Bird plugs are ideal for correcting incorrect holes in main pipes, allowing them to be plugged safely and efficiently. Made of polypropylene with anti-UV treatment, they guarantee durability and weather resistance. Their 4mm connection makes them compatible with different irrigation systems, facilitating the installation of microtubes or irrigation emitters.

- Pack with 10 4mm Blue Bird plugs
- Material: polypropylene
- Anti-UV treatment for greater durability
- Connection 4mm to adapt to different irrigation systems
- Ideal for correcting incorrect holes in main pipes
