Description

The SPARCO Soft-Shell Tech Gray Technical Jacket in Size L is a high-quality garment designed to offer comfort and protection in adverse weather conditions. Made from a 330g polyester and spandex fabric, this jacket is highly stretchy, waterproof and features a removable dual-adjustment hood for added versatility. Anti-abrasion reinforcements on shoulders and elbows guarantee greater durability, while reflective elements and the reflective logo improve visibility in low light conditions. With pockets and a waterproof zipper closure, this jacket is ideal for outdoor activities where protection and comfort are required.

- Technical jacket in high quality softshell tech
- Fabric 330g polyester and spandex
