Description

The Blue Bird Varijet 180° Kit with Support and Wand is the perfect solution for watering flower beds and rockeries. With an adjustable flow rate of 0-63 l/h, this microdiffusion/microspray system emits water in the form of fine jets and fans, providing a very fine, delicate and uniform irrigation. With a 180° irrigation arc and a range of 1.5-2m, this kit covers a wide area efficiently. Ideal for keeping your plants well hydrated without wasting water, this kit is an excellent option for gardens of any size. Easy to install and use, the Blue Bird Varijet 180° Kit with Support and Rod is an essential tool to keep your garden in optimal condition.
