Description

The 600W automatic chuck drill POWC10200 PowerPlus is the ideal tool for any drilling task around the home. With a power of 600 W, this compact impact drill is capable of drilling into wood, metal, plastic, concrete and stone with ease and precision.

One of the most outstanding features of this drill is its 13 mm automatic chuck, which allows you to change bits quickly and easily. In addition, it has a reversible function, depth stop and auxiliary handle to ensure a firm and secure grip during use.

The adjustable speed of the POWC10200 PowerPlus drill allows you to control the rotation speed depending on the material you are drilling, resulting in more precise and efficient work. Its lightweight and compact design makes it easy to handle, perfect for household tasks and small DIY projects.

If you are looking for a powerful, versatile and easy-to-use drill, the 600w automatic chuck drill powc10200 powerplus is the perfect choice. Don't miss the opportunity to have this quality tool in your tool kit.
