Description

The Hedgehog-LDBTE6 6" Medium Triangular Mechanic's File is an essential tool for professionals and DIY enthusiasts who require precision in finishing workpieces. Its triangular design allows easy access to corners and sharp angles, making it ideal for filing threads, milling cutters, and flat surfaces. With equal sides that taper towards the tip, this file offers optimal control and a uniform finish. The double cut on all three sides ensures greater efficiency in roughing and finishing materials, guaranteeing high-quality results every time. Furthermore, its two-component handle provides a soft and comfortable grip, reducing fatigue during extended use.
