Description

The Cofra Riga S3 safety boot in size 42 is resistant and safe footwear for work in industrial environments. Made of black water-repellent printed leather, it has an anti-static, anti-shock and non-slip fabric lining to ensure user comfort and protection. Its stainless steel insole is anti-puncture, providing greater security in case of work accidents. Weighing 640 grams, this boot complies with S3 SRC safety regulations, offering optimal protection in different working conditions. The last available in sizes 36 to 39 is 10, while in sizes 40 to 48 it is 11, ensuring a perfect fit for each user.
