Description

The Cofra Riga S3 safety boot in size 44 is ideal protective footwear for jobs that require a high level of safety. Made of black water-repellent printed leather, this boot has an anti-static, anti-shock and non-slip fabric lining to guarantee the comfort and safety of the user. The stainless steel insole is anti-puncture, providing additional protection against possible impacts on the foot. Weighing 640 grams, this boot offers excellent resistance and durability, making it perfect for demanding work environments.
