Description

The York Tech soft-shell jacket in black/grey is the ideal choice for those seeking functionality and comfort in diverse conditions. Designed with a focus on durability, this jacket features reinforced inserts in stress areas, ensuring greater resistance to wear and tear. Its outer shell is made from a blend of 93% polyester and 7% elastane, as well as 90% nylon and 10% elastane, providing excellent elasticity and adaptability to movement. The interior is lined with 100% polyester fleece, offering warmth and comfort in cold weather.

In addition, the jacket includes reflective elements that enhance visibility in low-light conditions, and waterproof zippers that protect against water ingress.

Its practical design is complemented by a detachable hood and multiple pockets, ideal for carrying essential items safely and accessibly.
