SIMON 8200010-096 single titanium key

The keys of the **Simon 82 Concept** series can be found in the following colors:

- titanium
- matt black
- matt white

Remember that all the keys of the Simon 82 series also work, so you can take advantage of the available colors of this series.

The finishes of the Simon 82 series are:

- white
- ivory
- graphite
- aluminum

You must take into account that

If you already have Simon mechanisms (31.75, 82 or 88), you will only need the frame and the key,

since the electrical mechanism is fully functional.
