Description

Beloha 1500 W mica heater with two elements designed to heat medium-sized spaces of up to 20 m². Combines thermal efficiency with safety thanks to its iron construction and mica cover, ensuring uniform heat distribution. It incorporates an LED indicator and anti-tip system for enhanced protection during use.

Technical Specifications

- Maximum Power: 1500 W
- Number of Elements: 2
- Main Material: Iron
- Secondary Material: ABS
- Maximum Voltage: 240 V
- Minimum Voltage: 220 V
- Frequency: 50/60 Hz
- Cable Length: 1.5 meters
- Cable Included: Yes
- LED Indicator: Yes
- Handle Included: Yes
- Temperature Adjustment: Yes
- Anti-tip Device: Yes
- IP: 20
- Power Level: 2

Its white design makes it easy to integrate into any decoration, while its temperature control allows for efficient and personalized use. It is suitable for residential or small professional environments.

It is recommended to install it in ventilated areas away from sensitive surfaces. Installation is simple thanks to the included cable and provided handle, allowing easy handling and placement without the need for additional tools.

Specifications

Frequency	50/60 Hz
Rated current (A)	1500
EAN	8433373096356
Manufacturer	Niaros
Length	1.5 metros
Material	Hierro / ABS
# Elements	2
Nominal voltage (V)	240
