Description

The 2-inch white rubber cone washer is an essential component for float valve systems, designed to ensure a precise fit and effective sealing. This product is offered in a variety of sizes to suit different needs and applications, ensuring versatility and functionality in its use.

- Material: High quality rubber, designed to offer durability and wear resistance.
- Color: White, which facilitates its identification and compatibility with other components.
- Available sizes: 3/8, 1/2, 3/4, 1, 1 1/4, 1 1/2, and 2 inches, allowing its use in a wide range of applications.
- Compatibility: Specially designed for float valves, ensuring a hermetic and efficient seal.
- Presentation: Available for sale in bulk or in bags, adapting to different purchasing needs.
- EAN13 code: 8432453019438, to facilitate its identification and management in inventories.
