Description

This set of three decorative glass trees incorporates micro LED technology to create a cozy atmosphere with warm fixed light. Its compact and elegant design is perfect to complement modern interior spaces.

Technical characteristics

- Material: Crystal
- Number of LEDs: 10 units per tree
- Type of lighting: Warm fixed light
- Power supply: 2 AAA batteries (not included)
- Integrated timer: 6 hours on / 18 hours off
- Action: Diameter 9 cm x Height 17.5 cm
- Package contents: 3 units

The automatic timer allows daily lighting cycles to be programmed, optimizing energy consumption and maintaining a constant atmosphere without the need for manual intervention. The combination of crystal transparency with the warmth of light generates a subtle and sophisticated visual effect.
