Description

The high-tenacity polyester lashing system is a robust and reliable solution for efficiently securing loads. Designed to support up to 2000 kg, this system offers a combination of strength and durability, ideal for industrial and transport applications. Manufactured with high-quality materials, it guarantees optimal performance in a variety of conditions.

- Material: High-tenacity polyester
- Load capacity: 2000 kg
- Manufacturing process: Sewn with programmable automatic machines for a quality finish
- Available sizes: Various options to choose from
- Color: Orange
- Hook type: Closed
- Certification: CE marking
- EAN13: 8432453001617
