Description

The AQUA SIMON Embedded Frame with 3 white elements is a highly functional and aesthetic product designed for the horizontal installation of three units. Its white finish offers decorative versatility, adapting to modern or traditional styles, while ensuring durability and professional endurance.

Technical characteristics

- Series: AQUA
- Range: SIMON AQUA - ESTANCA
- Number of units: 3
- Mounting position: Horizontal
- Installation: yes
- Colour: White
- Degree of IP protection: IP55
- Impact force: IK08

Given its degree of IP55 protection and IK08 impact resistance, this frame is suitable for environments that require a certain sealing against moderate dust and splashes. Its compact design facilitates integration into reduced spaces without compromising structural safety.

Specifications

Colour	White
EAN	8421053298688
