Description

The 97cm double-roll insulated door under-door seal in brown is an efficient solution for improving the insulation of any space. Made of PVC, this product is designed to fit different types of doors, offering an effective barrier against dust, drafts, and small animals such as cockroaches. Its adjustable design allows it to be adapted to the desired size, guaranteeing an optimal seal that helps maintain a cleaner and more comfortable environment. Furthermore, its surface is easy to clean, which facilitates maintenance and prolongs its lifespan. Available in three colors, this under-door screen integrates perfectly into any décor.
