Simon 82 key with graphite bell visor SIMON 8200015-038

Brand: SIMON

Reference: SIMON 8200015-038

Individual key with visor and bell engraving for mechanisms S. 77 graphite Simon 82. With bell engraving, this key, in graphite color, individual and with visor for mechanisms 77 of the Simon 82 series has dimensions of 55x55mm and is manufactured in thermoplastic material. For its installation, use a surface socket or universal embedding box and, for its maintenance, clean with a soft cloth slightly moistened in soapy water. Do not use abrasive cleaners that contain chlorine. We already have the key, and now, what frame do we choose? It is recommended that this be the same socket color of the key we have chosen. All the keys and frames of the Simon 82 Collection are compatible with the elements of the Simon 75 Series. Balance and simplicity adapted to the latest trends. Simon 82 stands out for its minimalist design, noble finishes and extensive range of textures. Simple, pure lines and a slim profile outline the essence of a new concept.
