Description

The Tolsen work jacket in XXL size is designed to offer comfort and functionality in demanding work environments. Constructed from a blend of durable materials, this garment provides both protection and versatility for the wearer.

- Material: 80% Polyester and 20% Cotton, combining strength and comfort.
- Two chest pockets with flaps for secure storage.
- Two pen loops on the chest, providing quick access to writing instruments.
- Two deep front patch pockets, ideal for storing personal belongings or small tools.
- Elasticated cuffs ensure a comfortable fit and prevent the entry of dust or dirt.
- Adjustable hem with two button positions on each side, allowing for a custom fit.
- Piping detailing on the front and back incorporates reflective materials, improving visibility in low-light conditions.
- Full-length front zip closure with three hook-and-loop fastenings, offering flexibility in fit and wind protection.
- Special pockets for construction accessories, optimizing organization and access to essential tools.
