Description

WADFOW's 45-piece tool set is a versatile and compact solution for a variety of maintenance and repair tasks. Designed for durability and precision, this set is suitable for jobs that require high-quality, heavy-duty tools.

- 1/4" ratchet wrench with 45 teeth, allowing precise adjustment and efficient handling in tight spaces.
- 13 x 1/4" Dr sockets in sizes from 4 to 14 mm, providing a wide range of options for different applications.
- 1/4" Dr universal joint, making it easy to access hard-to-reach areas.
- Two 1/4" Dr extension bars, 50 mm and 100 mm, for extra reach and flexibility at work.
- 1/4" x 150 mm rotating handle, designed for comfortable and secure handling.
- 20 screwdriver bits in various configurations: PZ, T, H, SL, PH, to suit different types of screws.
- Holder for screwdriver bits, making storage and organization easy.
- 1/4" x 150mm flexible extension bar - ideal for working at awkward angles.
- 1/4" 3-way adapter - expands the set's functionality.
- Four hex keys in sizes from 1.5 to 3.0 mm - useful for precise adjustments.
- Made of chrome vanadium (CR-V) steel - known for its high strength and durability.
- Heat treated to improve hardness and wear resistance.
- Chrome plated finish provides corrosion protection and a professional appearance.
