## Description

The rotor with reference 51519 is an original replacement of the brand WADFOW, belonging to the subfamily of electroportiles. This component is designed to ensure the optimal functioning of the equipment to which it belongs, ensuring its correct performance and durability under the conditions of use established by the manufacturer.

Technical characteristics

- Replacement Reference: 51519
- Product code: WCDP9281-SP-6
- Mark: WADFOW
- Type of item: Rotor
- Units per minimum sale: 1

Since it is a specific spare part for reference 51519, its installation and compatibility depend strictly on the original electroportable model. It is recommended to use only this certified replacement to keep the technical specifications of the equipment intact.
