Description

Thermal protection vest made of softshell material, designed to offer shelter and comfort in working environments with low temperatures. Its sleeveless cutting allows for greater freedom of movement and facilitates the additional layer on other garments.

Technical characteristics

- Type: Softshell vest
- Model: LYTIR
- Colour: Black
- Size: S (Reference code: 288VS3S)

The softshell structure combines wind resistance with breathability, adapting to work activity without restricting movement. Its neutral black design makes it easy to integrate with different work uniforms.

Specifications

Colour	Black
