Description

Surface-mounted mechanisms are modular; the mechanism is supplied with the key, and only the box/frame needs to be added to complete the assembly.

Available frames are for one, two, or three elements.

IP 2X mechanisms protected against direct contact

Include open terminals

White finish RAL 9010

The **Legrand Oteo** mechanism series is one of the best options for surface mounting due to its easy adaptation, flexibility, and quick installation, both on walls and in trunking.
