Description

66 Watt square LED Plafon with white steel finish, designed to illuminate interior spaces efficiently. It integrates CCT technology that allows the color temperature to be adjusted between 3000K, 4000K and 6500K, adapting to different environments. Its compact 45 mm high design makes it discreet and functional.

Technical characteristics

- Power: 66 W
- Luminous flux: 4820 lm
- Type of light: CST (3000-4000-6500 K)
- Dammable: Yes
- Form: Square
- IP protection: IP20
- Material: Steel
- Finished: White
- Height: 45 mm
- Voltage: 220-240 V
- Frequency: 50/60 Hz
- Protection class: Class I
- Remote control: Including
- ignition memory: Yes

The included control facilitates remote control, allowing the intensity and tone of light to be adjusted without physical intervention. The memory function remembers the last state configured when restarting the device.

Specifications

Memory	Yes
Frequency	50
Colour	White
Remote control	Yes
Material	Steel
Protection	IP20
Colour temperature	3000K/4000K/6500K
