View product online

Description

Electrical outlets are one of the most prominent elements in the series Simon 27 Play. One of the most demanded is the Foundation of schuko plug 16 A-250V~ with hinged lid, device security and embornamiento screw in ivory included in this range. With a simple operation by push, we are looking at a plug base ideal for buildings with smaller hospitals, hotels or educational institutions, since tops include the role of child protection.
