Product sheet

Diffuser cap Simon 82 green / snow white SIMON 82065-30

Brand: SIMON

Reference: SIMON 82065-30

Green diffuser cover for Simon 82 light indicator. Individual diffuser cover for light indicator. It is green and from the Simon 82 series, a collection that stands out for a minimalist style with very simple lines and an extra flat appearance. Balance and simplicity come together to make way for a new design adapted to the new trends in the current market. Square shape with dimensions 55x55mm. It is made of thermoplastic compounds and is suitable both for use and for surface. This cover does not include engraving. Clean the lid with a cloth slightly moistened in soapy water. Do not use cleaners or cloths that contain chlorine or are abrasive. When choosing the frame, it is recommended that it be the same baseboard color as the selected cover. All the frames and keys in this collection can be combined with the Simon 75 Series mechanisms: switches, switches, crossovers.
