Description

The **Eagle-GUTRSG-GUARDIAN GOOGLE Clear Safety Glasses** are an ideal solution for those seeking eye protection in work environments. Designed for maximum comfort and safety, these glasses feature a fully wraparound, ergonomic frame that adapts perfectly to the shape of the face. Their adjustable elastic strap ensures a secure fit, allowing the use of prescription glasses underneath without compromising visibility or protection.

Made with a polycarbonate (PC) lens, these glasses are abrasion-resistant and have an anti-fog coating, making them suitable for various industrial applications, including mechanical work, carpentry, and the healthcare sector.

They comply with CE EN 166 standards, ensuring their effectiveness in eye protection against mechanical impacts of force B and are suitable for continuous use with optical class 1.

- Ergonomic and wraparound frame
- Adjustable elastic strap
- Compatible with prescription glasses
- Polycarbonate (PC) lens
- Anti-fog treatment
- Abrasion resistant
- CE EN 166 standard
- Mechanical force: B
- Optical class: 1 (continuous use)
- Not suitable for exposure to X-rays or nuclear radiation

For cleaning, it is recommended to wash with running water, avoiding the use of industrial solvents and not exposing to sunlight during drying.

Specifications

High	5,50
