Product sheet

WITTE PZ 1 DIAMOND 25mm bits in a sturdy plastic case.

Brand: Witte

Reference: TUR 427611

Witte-427611-5 25mm screwdriver bits, made of high-alloy steel. Their advanced technology and precise geometry guarantee optimal torque transmission, ensuring durability and a perfect fit on screws.

Description

Witte-427611-5 bits are high-precision screwdriving tools designed to deliver exceptional performance in a variety of applications. Manufactured from high-alloy steel, these bits benefit from state-of-the-art technology and machinery, ensuring their durability and effectiveness. The subsequent hardening process, combined with precise geometry, allows for optimal torque transmission, ensuring that each screw is tightened securely and efficiently. The intrinsic quality of the bits, along with a perfect fit on the screw head and correct application, are key factors that determine the lifespan and performance of each bit.

- **Model:** Witte-427611-5
- **Length:** 25 mm
- **Type:** PZ 1 DIAMOND Bits
- **Material:** High-alloy steel
- **Manufacturing process:** Modern technology and machinery
- **Treatment:** Post-hardening
- **Geometry:** Precise for optimal torque transmission
- **Durability:** High, depending on quality and application
- **Use:** Ideal for screwdriving in various applications
- **Presentation:** Plastic box for safe storage

Specifications

EAN	4003955321028
Manufacturer	WITTE
Material	Plástico
Weight (kg)	0,0400
