Description

The 40mm Mushroom Pulse Head in green is a component designed for specific applications requiring precision and durability. Manufactured with high-quality materials, this pulse head offers optimal performance under diverse working conditions. Its ergonomic and functional design allows for easy handling, ensuring an efficient and comfortable user experience. Ideal for professionals seeking a reliable, high-performance product, the Pulse Head... Seta adapts to different tools and systems, ensuring versatility in its application.

- **Diameter:** 40 mm
- **Color:** Green
- **Material:** High resistance
- **Compatibility:** Standard tools
- **Design:** Ergonomic and functional
- **Use:** Professional applications
- **Performance:** Optimal in various conditions
- **Durability:** High wear resistance
- **Maintenance:** Easy cleaning and care
- **Certifications:** Meets quality standards

Specifications

Colour	Green
EAN	3389110904888
Reference	SCHNEIDER ZB5AC3
