Description

The 12-in-1 mini multi-tool is a versatile and compact tool designed to meet a variety of needs in a single device. Made of stainless steel, this multi-tool combines durability and functionality, offering a practical solution for everyday tasks. Its design includes long-nose and standard pliers, as well as a multi-function knife for easy cutting. It also features several screwdrivers, including two flathead and one Phillips, making it ideal for repairs and adjustments. The inclusion of a reamer, file, bottle opener, scissors, wire cutter, and long hole further expands its utility, allowing it to tackle a wide range of basic applications.
