Description

The pack of 200 insulation panel fixing plugs 10x90 is the perfect solution for securing insulation materials. Designed for use with compact and semi-soft materials, these plugs feature a nylon nail and a spike that ensures a solid fix.

Recommended for mineral wool and cellular glass, these plugs allow for quick and efficient installation. With a diameter of 10 mm and lengths of up to 190 mm, they are ideal for large-scale projects.

- Dimensions: 23 cm x 31 cm x 41 cm.
- Requires an 8 mm drill for installation.

Optimize your work time with these easy-to-use plugs.
