Brand: SIMON

Reference: SIMON 75802-39

3W 230V incandescent lamp. 3 W incandescent lamp with a voltage of 230 V from the Simon 75 series. A series with multiple color combinations, offering an extensive range suitable for all types of decorative spaces in your home. Take advantage of the variety of shapes of the elements, which, combined with the rectangular design of the decorative frame, allow you to adopt different aesthetics depending on the characteristics of your home. In terms of design, you can enjoy infinite combinations, with frames in thirteen different finishes, intermediate pieces in fifteen colors, and keys in six colors, allowing endless combinations to adapt to each space in your home. Installation is truly simple, as it is compatible with the mechanisms of the Simon 77 series, which allows you to connect the cables without stripping them and enables you to install the mechanism in just two steps: insert, tighten, and done.
